Greetings from the Clerk's Office

As we embark into 2025, we welcome new adventures that await all of us. Reflecting on 2024, we can reminisce on achievements, adventures, accomplishments and life in general. A new year gives us the chance to start fresh and to perhaps set new goals, while hoping to enjoy life as we live it. As time quickly moves on and life remains busy, moments spent with family and friends becomes precious. No one knows what the next year will bring so we all need to take advantage of these moments when the opportunity presents itself to us.

2024 has come and gone but, as usual, not without its challenges. We had four elections this year with a record turnout for the Presidential Election. We had 218 voters participate in this election out of 274 active voters. It was refreshing to see so many people exercise their right to vote. The November election also had a record turnout for new voter registrations. Many thanks to the election officials who worked the polls and counted ballots for all four elections. Our polls are open 7am-7pm so this creates a very long day for some of our poll workers.

Our Town continues to struggle to attract individuals to participate in town government or town activities. Listed at the beginning of the Town Report are offices and positions that are still vacant. There were always numerous individuals willing to fill these positions in the past, however, in the world of today this is no longer the case. Woodford is not the only town to have this problem, but it does present serious consequences for the smooth, democratic and efficient running of our Town. Everyone has different ideas, experiences and backgrounds that could enhance living in a small town when they are shared. The annual town meeting is a great place to start. Here you can meet elected and appointed officials, ask questions and share viewpoints with other townspeople. Local knowledge is invaluable and is important to be shared by others. If you are interested in participating in local government, please don't hesitate to contact the clerk's office or any town official with questions or concerns you may have.

Welcome to all new residents and property owners to our Town. We look forward to meeting all of you soon. Those who have left to pursue other endeavors or interests, we wish you the best of luck.

Last year we completed updating the tax maps. The maps had not been updated since 2017 and many property transfers have occurred since then. This year we are working on having all of the Town's land records digitized for preservation purposes. Municipalities are strongly advised to preserve their land records and creating another copy of the originals through another format. We are still in the process of researching companies that fit the needs of the Town. This is a very expensive project; however, the Select Board has designated money from the American Rescue Plan Act (ARPA) towards this project. Once a system is created then, moving forward, preservation requirements will be ongoing and easily attainable.

Stay Informed:

Website: The Town's website has been instrumental in providing information to the public. The website includes town officials' names and contact information, meeting notices and minutes, rules and regulations, policies and procedures, important forms

along with a variety of other interesting and important information. The website continues to be voluntarily maintained by Nancy Coleman who has been diligent in keeping the website updated with current and past info. You can visit the Town's website at woodfordvt.org

Annual Town Report: The Town Report is printed annually for the purpose of the auditors reporting their findings of the town's annual financial information as required by 24 V.S.A. §1682. Optional information is included at the discretion of the town officers. Included in Woodford's Town Report is the grand list, previous years town meeting minutes, vital statistics, delinquent tax list, town meeting warning, previous years election results and other items that may be of interest. Only active registered voters receive the Town Report. If you are interested in a hard copy, you can stop in the town office to pick one up. You can also find an electronic copy posted on the Town's website. If you have any questions on anything or have something specific you would like to be included in the Town Report please don't hesitate to reach out to any town official.

It is required by 24 V.S.A. §1179 that town clerks disclose to the public the total amount of fees received as part of their compensation. Below are the clerk fees received for 2025 by both the town clerk and assistant town clerk:

Recording	\$4085.00
Copies	\$581.00
Certified Copies	\$70.00
Dog Licenses	\$64.00
Posting Permits	\$15.00
Marriage Licenses	\$30.00
Green Mtn Passports	\$10.00
TOTAL COLLECTED	\$4855.00

To all I wish a Safe, Healthy, Happy, Prosperous and Peaceful 2025! Thank you for your continued support.

Respectfully Submitted, Susan Wright Woodford Town Clerk

IMPORTANT INFORMATION

The following is information you may find helpful.

If you have any questions please contact the Town Clerk's Office.

1. ELECTION INFORMATION

This year there is only one election currently scheduled. On March 4, 2025 is the annual town and school elections. Absentee ballots, as always, are available upon request. If you are not a registered voter but would like to be, voter registration is available on any election day while the polls are open, through automatic voter registration at the motor vehicle office (the motor vehicle dept. automatically registers you to vote in the town you live in when you renew your license (unless you specify otherwise), online at http://olvr.sec.state.vt.us and during the Town Clerk's Office hours.

- Absentee Ballots: Voters may vote absentee/early ballot in many different ways:
- <u>Vote in Office</u>- Voters may fill out a request and vote in person at the clerk's office, complete and sign the certificate and return the ballots without leaving the clerk's office. This can be done during all regular business hours before the closing of the town clerk's office and on the day before each election.
- <u>Take from Office</u>- Voters may fill out a request and, <u>only the voter</u>, may take the ballot from the clerk's office. The ballot can be returned by anyone as long as it is in the certificate envelope.
- <u>Mail</u>- Voters can request absentee ballots through the My Voter page, email or phone call. The ballot will be mailed to you and must be returned to the clerk before the close of polls on Election Day.
- <u>Electronic</u>- Ballots can be electronically delivered to overseas or military voters along with ill, injured or disabled voters for State elections. This process can only be done through My Voter Page. This allows voters with a disability to use the online accessible ballot marking device from home during the early voting period. Once the request is approved by the clerk the system will send an email to the voter that night with instructions on how to access the ballot. Local ballots are sent through the Town Clerk's office with specific instructions. All electronic ballots must be returned by US mail.
- <u>Home Delivery</u>- Pairs of Justices of the Peace may deliver absentee ballots to voters who are ill or voters with disabilities. The request must be made by the close of the town clerk's office the day preceding the election. Once the JP's have reached an absentee voter, the JP's must work as a pair to present the ballots and envelope to the voter, who may then vote in private or in the presence of both JP's.

The law allows a voter to make a single request for absentee/early ballots for all ballot elections scheduled in a given year (including town/school votes, special elections, state primaries) as long as the "mail to" address is the same for all elections. Please note that this single request must be made annually.

Any voter, family member, health care provider or authorized person can request an absentee ballot in Vermont without any reason. Voters who want to vote by absentee ballot may apply to the clerk before the closing of the town clerk's office on the day before the election. The Woodford's Town Clerk Office closes at 2:00pm on Mondays. Only a voter, family member (spouse, child, brother, sister, parent, spouse's parent, grandparent or spouse's grandparent), or health care provider may request a ballot for another person by phone. All requested ballots for any person other than the voter themselves will be mailed to the voter. An application for an early voter absentee ballot may only be valid for any elections within the same calendar year.

- My Voter Page, launched in 2016, is the State of VT's newest election management platform. By using My Voter Page, a registered voter can check voter registration status, view information on upcoming elections, poll location and hours, view a sample ballot, request and track an absentee ballot, view registration information on file with the town office, challenge letter response and take the oath. To use this system registered votes can log in at: http://mvp.sec.state.vt.us.
- <u>The Accessible Voting System</u> is available for all state and federal elections. It was introduced and used for the first time in 2018. The system was designed for those voters who may be blind or have any other disability but this voting option is available for any voter who may be interested in using it. It's a very simple system to use so if interested just ask any election official at the polls.
 - 2. UNCLAIMED PROPERTY: The Vt. Treasury Department maintains a list of those people who currently live in Woodford or did at one time and has unclaimed property, usually money. If you have lived in more than one Vermont town then be sure you check those also. You can check at: http://www.vermonttreasurer.gov/unclaimed-property for the most current listing. The process to claim your property is very simple and worth checking into.
 - **3. DOG LICENSE:** April 1, 2025 is the deadline to register your dog. Any dog that is more than six (6) months old must be registered and licensed annually on or before this date. Proof of sterilization and rabies certificate must be provided at the time of licensing if not already on file. The fee for a spayed or neutered dog is \$11.00 (\$13.00 after April 1st) and \$15.00 for unneutered or unspayed dog (\$19.00 after April 1st).

PetVet clinics are scheduled at Tractor Supply in Bennington on 2/8, 3/08, 4/05, 5/03 and 5/31 from 3:30 TO 5:30pm.

- **4. TAX HELP:** You may be eligible for free tax help through the IRS, AARP or MyFreeTaxes.com. To learn where to find tax help visit <u>tax.vermont.gov/free-prep</u>. Tax forms and instructions are available online at <u>tax.vermont.gov</u>, <u>call</u> 855-297-5600 or email <u>tax.formsrequest@vermont.gov</u>.
- 5. **HOMESTEAD DECLARATIONS**: Homestead declarations need to be submitted by April 15th, 2025 in order to qualify for the resident education tax rate. By submitting this form on time, you will receive an accurate tax bill and avoid any late penalties or fees. Filing for an extension for your income tax does not include the homestead declaration.
- 6. **GREEN MOUNTAIN PASSPORTS:** Green Mountain passports are available at the Town Office for \$2.00. This entitles you to free admission to Vermont State Parks (including Woodford State Park), Vermont Historic Sites and events which are fully State sponsored. To be eligible you must be a legal resident of Vermont and Woodford and be either 62 years of age or older or a veteran of the uniformed services.
- 7. **SOUTHERN VT COMMUNICATION UNION DISTRICT (SoVT-CUD):** Communication Union District is a governance structure allowing multiple towns to band together to resolve their internet problems as a region and bring high speed internet to all. The Town of Woodford voters approved by ballot in 2020 to join the SoVT-CUD along with 13 other towns. Each town has a representative as part of the governing board with decision making capabilities. Currently, Woodford does not have a representative and is looking to fill this position. You can find more information or minutes of past meetings at https://sovcud.net.

ZONING AND PLANNING

PERMIT INFORMATION

The Town of Woodford has zoning regulations in place. Before any land or building is devoted to a new use or change of use, or before the erection of any building or land development, a zoning permit shall be obtained prior to any activity. If you are planning on doing any construction or renovation projects, please inquire to see if you will need a permit before you start. This will save everyone time, money and frustration. You can contact the Town Office at woodfordvt@comcast.net or James Kinney, Zoning Administrator, at woodfordzoning@comcast.net.

Permits are required for:

- Oconstruction of anything larger than 36 sq. ft. This includes new homes, additions, decks, porches, mud rooms, garages, outbuildings or sheds and cargo or shipping containers, portable and non-portable;
- Change in residential property use such as a home occupation or a business activity;
- Commercial property improvements or use change;
- Subdivisions or boundary line adjustments;
- Addition of a pond or swimming pool;

A permit application must be submitted with all required documentation as stated on the application form, including the fee of \$75.00. The application will be reviewed and forwarded to the governing body authorized to approve the permit, the **Z**oning Administrator, Zoning Board of Adjustments or Planning Commission. Once an application is approved the permit is good for 2 years before it expires. Once expired, a new application needs to be submitted.

In addition to the Town of Woodford Regulations, Woodford Lake lots must also comply with the Woodford Lake Association Regulations.

In some instances state permits may be required. Landowners are responsible for obtaining all necessary state permits pertaining to their particular project along with local permits. All septic and wastewater permits are issued through the State of Vermont and not approved at the local level.

The Planning Commission periodically updates the zoning regulations. The most recent revisions were completed on July 15, 2020. Revisions are made periodically in order to keep up with the current and future needs of the Town and to make them compliant with any new State laws. The board appreciates any suggestions, comments and ideas from Woodford tax payers and welcome all to attend any meetings. If you would like an electronic copy of these regulations or a zoning application, contact the Town Clerk or Zoning Administrator as noted above.

The drawing above is of Little Pond Hotel on recollections of Merrill Cutler

Woodford Vt: A Booming Tourist Destination for Vacationers

Did you know that Merrill Cutler and his mother worked at the Little Pond Hotel? Mrs. Cutler managed the 25-room establishment and her son cooked and drove the wagon to Bennington for supplies weekly. Little Pond Hotel was a destination for many vacationers from New York City, and was built by Carl Stone, a wealthy New Yorker. He came to Woodford near the end of the 19th century with a wad of money and purchased 11,000 acres of woodland east of Bolles Brook.

Before building the hotel, Stone erected a large hotel and casino just off Bolles Brook and named it Camp Comfort. Hundreds of city folk were carried from Bennington to the camp's door by electric railway. They were welcomed by musicians. Their palates were tantalized with fresh trout dinners. Good times were had at the casino, including dancing, drinking and gambling.

Vacationers had their pick of camps or hotels during the early 1900s in Woodford. Along Bolles Brook stood Hunter's Rest and Camp Loafmore, and further up in the city, Green's Hotel and the Woodford Inn.

While Americans were fighting World War 1, Carl Stone died and Camp Comfort burned. Shortly after, Little Pond Hotel was dismantled and the wood was used to build homes in Bennington. Thus ended the era of a booming tourist destination for vacations in our little Town of Woodford.

TOWN OF WOODFORD- DELNQUENT TAX COLLECTION POLICY

Summary

Town and school budgets are set in anticipation of the collection of property taxes and taxes not paid by some property owners shift the cost burden onto those that do. It is the best interest of the Town of Woodford and its residents that property taxes be paid when they are due.

Woodford's collection policy recognizes that individuals may go through periods of financial difficulty, but in order to be fair to all town taxpayers, the policy asserts that, as a matter of principle, shifting the burden of one property owner's debt onto other property owners in the town is not appropriate. A taxpayer who becomes delinquent is encouraged to find alternative resources to pay in full as soon as possible.

Delinquent taxes represent a lien on the property that will remain in effect until the delinquent taxes, plus penalty and interest, have been paid in full.

Purpose

The purpose of this policy is to treat Woodford taxpayers fairly by establishing clear guidelines that relate to the collection of delinquent taxes.

Policies

Notices

- The Delinquent Tax Collector will send a notice to each delinquent taxpayer indicating the amount of delinquent taxes, penalty and interest owed within 15 days of receiving the warrant from the Town Treasurer and each quarter thereafter.
- The initial delinquency notice shall include a statement explaining tax abatement options for the delinquent taxpayer (see attached), as well as the steps needed to make adequate payment arrangements (see below).

Penalty and Interest

Delinquent taxes shall be assessed a penalty of 8% of the total tax due, plus monthly interest on the outstanding balance as follows: an interest rate of 1% per month (or partial month) for the first 3 months, increasing to 1.5% per month (or partial month) on months thereafter until the total balance is paid in full.

Payment Arrangements

Payments in full are preferred but payment plans can be an option using the following criteria:

- Only payment arrangements that will pay the bill in full before the due date of the next year's tax bill will be accepted.
- Delinquent taxpayers shall submit a written payment arrangement proposal to the Delinquent Tax Collector by midnight, December 31st of same year taxes were due. The proposal shall outline the intended monthly payments and should be accompanied by a good faith payment to the Town.
- Delinquent Tax Collector shall have an approved payment plan with the delinquent taxpayer by January 10th of the <u>new</u> tax year.
- Partial payments will be applied first to the interest portion of the amount due. Any remainder will be divided proportionally between the outstanding principal amount of the tax and the 8% penalty.
- Violation of the payment arrangement including, but not limited to, a check returned to the Town for insufficient funds shall make the payment arrangement null and void and payments not fulfilled before the next tax due date will initiate a tax sale immediately.
- Costs, including those associated with returned checks may be included in setting the tax sale amount.
- The Town reserves the right to deny any payment arrangement that does not meet the above criteria.

Regular Procedures

- Payments may be mailed or hand delivered to the Delinquent Tax Collector.
- The Collector will issue a receipt to the property owner for every payment.
- On a monthly basis, the Collector will deliver to the Town Offices a copy of each receipt issued during the previous month (and retain a copy for his/her records).
- A payment will be credited based on the postmark date or the Town official stamped date received.
- Postdated checks will not be accepted. Requests to hold checks for later deposit will not be honored.
- Cash payments will be accepted at the discretion of the Town official to whom the payment is tendered.

TOWN.OF WOODFORD ANNUAL MEETING WARNING **TOWN BUSINESS MEETING MARCH 4, 2024 TOWN MEETING BALLOTING MARCH 5. 2024**

Dick Frantz, moderator, opened the meeting at 7:30pm. The meeting opened with the Pledge of Allegiance. He then acknowledged and thanked the select board, town clerk, assistant town clerk and treasurer for the work they do in keeping the town running smoothly. Since the Town does run smoothly, these tasks and jobs go unnoticed. Dick then proceeded to read the warning as posted:

THE INHABITANTS OF THE TOWN OF WOODFORD, VERMONT, QUALIFIED TO VOTE IN THE TOWN MEETING, ARE HEREBY WARNED AND NOTIFIED TO MEET AT THE WOODFORD TOWN BUILDING ON MONDAY, MARCH 4, 2024 AT 7:30 PM TO TRANSACT THE BUSINESS SPECIFIED BELOW TO BE DONE FROM THE FLOOR:

THE MEETING WILL STAND ADJOURNED TO TUESDAY, MARCH 5, 2024 AT THE WOODFORD TOWN BUILDING FROM 7AM TO 7PM FOR ELECTION OF OFFICERS BY BALLOT AND VOTE AS TO WHETHER THEY WISH TO APPROPRIATE \$153,326.00 NECESSARY FOR SUPPORT OF THE TOWN, \$30,000.00 NECESSARY FOR SUPPORT OF THE HIGHWAY.

ARTICLE 1:

TO HEAR THE REPORTS OF THE AUDITORS.

Ryan Thurber explained that in the past the elected auditors would be present to answer any questions from the town report regarding any of the financial statements. However, an independent auditing firm has been conducting yearly audits as required by the town charter. Susan Wright pointed out that there is a letter from the auditors in the annual town report stating their findings. In addition to this audit, the town has an elected auditor that reviews financial transactions monthly.

ARTICLE 2:

TO DETERMINE IF THE TAXES SHALL BE PAID TO THE TREASURER OR A NON DEFINED COLLECTOR OF TAXES.

Motion made by Nancy Coleman to approve the article as written. Dick explained that a motion had to be made to choose either the treasurer or the non defined collector of taxes as to whom the taxes would be paid to. Discussion followed as to clarification of what the article is actually requesting. It was determined that it could be read either way. However, Susan stated that people can come in to pay taxes when the treasurer is not there but the treasurer ultimately receives it. Nancy revised the motion.

Motion made by Nancy Coleman to have the treasurer collect taxes, 2nd by Joseph Rutkowski. There being no further discussion; All were in favor, Motion Carries.

ARTICLE 17:

TO CONDUCT ANY OTHER BUSINESS FOUND PROPER WHEN MET (NO BINDING ACTION CAN BE TAKEN UNDER OTHER BUSINESS).

- A. Ryan informed the public that he was pleased to report that the Town's reserve fund is now back to where it was prior to Tropical Storm Irene. The Town had to use the reserve fund for damages, such as road repairs, caused by the storm and not covered by grants.
- B. Ryan explained to the public that the Town continuously submits names of trails and class 4 roads to the State of Vt Agency of Transportation to be accepted by the State for the highway state map. Roads consists of class 1,2,3 or 4. Woodford only has class 3 and 4 roads. Roads that have been submitted but not approved include City Stream, Dunville Hollow, Little Pond, Bickford Hollow, Waters Hill and others. Green Mountain National Forest (GMNF) is trying to claim ownership of these roads and, if successful, the Town will lose local control over them. Some of these roads have privately owned parcels of lands that may not have a clear deeded right of way and could possibly have no access if the forest service is allowed to claim them. When Act 178 came out, Ancient Road Act, towns were required to send supporting documentation that proved the town owned the road. All supporting documents have been sent but the State claims that some of the documentation is not clear enough and therefore has not confirmed the roads. Steve Wright emphasized that the Town is trying to maintain local control so there can be more flexibility as to the use of these roads. Green Mountain National Forest owns over 90% of the land in Woodford with 85% being wilderness and controls all activity within these lands including the roads. Ryan continued to explain that if the State approves the road mileage for the highway map then that will give the Town more power to fight for ownership of the roads against GMNF.
- C. Nancy informed the public that John Irons, long time past resident of Woodford, had done a lot of research on the history of Woodford and looked as if he was planning on writing a book. Unfortunately, he passed away before he was able to complete it. Since she is very interested in history, she went through his work and organized it and now it is available in the meeting room for public interest. Ryan clarified that originally the research was started due to the Ancient Road Act and the town hired John Irons to do this work. Nancy acknowledged this but also stated that he had branched into other areas also, adding to the historical information he gathered and is now available for all to enjoy. Ryan thanked Nancy for doing this project.

Dick announced that the meeting would be adjourned until 7:00am tomorrow morning for elections by ballot.

Motion made by Ryan to adjourn the meeting, 2nd by Nancy. There being no further discussion; All were in favor, **Motion Carries**.

Respectfully Submitted, Susan Wright Woodford Town Clerk

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen Town of Woodford Woodford, Vermont

Opinions

We have audited the accompanying financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Woodford, Vermont as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Town of Woodford, Vermont's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Woodford, Vermont, as of December 31, 2023, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAP). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Woodford, Vermont, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Woodford, Vermont's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence
 regarding the amounts and disclosures in the financial statements.

Town of Woodford Page 2

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town of Woodford's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Woodford's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America (GAAP) require that the management's discussion and analysis on pages 3 through 7, Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual on Schedule 1, page 25, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB), who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Woodford's basic financial statements. The combining and individual nonmajor fund financial statements are presented for the purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America (GAAP). In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

American Rescue Plan Act (ARPA)

The American Rescue Plan Act of 2021 established the **Coronavirus State and Local Fiscal Recovery Fund** (CSLFRF, aka ARPA) which provides \$350 billion to state and local governments for the response to and recovery from the COVID-19 pandemic. Of Vermont's \$1.25 billion share, over \$200 million was allocated to municipalities. Legislative bodies have discretion and flexibility over how to spend their local ARPA funds. Of these funds the Town of Woodford received \$119,851.33 to use within the guidelines set by the Federal and State Governments.

The select board approved expenditure of this money for items that would have future benefits and immediate benefits. The board approved money for the creation of the Town's new website, 2 years of emergency service contracts for Rescue Squad and Fire Department (reducing town tax for tax payers for 2 years), scanning of land records for the purpose of preservation and improvements to the Town building's parking lot and walkway.

Some of these expenditures have been completed while others are in the planning stage for completion.

Municipal Energy Resilience Program (MERP)

(MERP) is a new \$45M state program designed to help communities most in need of improving their energy resilience (those with high "energy burden"). Administered by The Vermont Department of Buildings and General Services (BGS), MERP will provide assistance and funding opportunities including:

- Free building energy assessments
- Grants up to \$4,000 to help communities increase their capacity to pursue energy resilience
- Grants up to \$500,000 for building renovation projects that include activities such as weatherization, thermal efficiency, and supplementing or replacing fossil fuel heating systems with more efficient renewable or electric alternatives.
- Technical assistance
- Application support

The Town of Woodford, with the help from Bennington Regional Planning Commission, submitted an application for this grant. The Town received approval and has been awarded \$52,272 towards energy resilience projects for both the town office and the town hall. Determined by the building energy assessment and approved by the grant administrators, the money will be used to insulate walls, floors, doors and attic, install high-efficiency gas fired furnace and make ADA improvements to the buildings. These projects will hopefully be implemented and completed in 2025.

Appropriation Request Letter

Oct. 15, 2024

Dear Residents of Woodford

Thank you for your past appropriation to Green Up Vermont in support of Green Up Day. We had an amazing turnout with a 30% increase in volunteers (30,176) who picked up 404 TONS of trash and 15,813 tires from our roads and waterways. This amazing community service and sense of pride keeps our towns not only looking good, but also safe, healthy, and economically vibrant places to live.

Your help is crucial in sustaining this mission of clean environments and teaching our youth to care about and get involved in their communities. Your annual contribution is so appreciated and makes a real impact.

As Green Up rolls into our 55th year, we are again requesting your support for the usual \$50.00 appropriation.

The amount requested is based on town population and funds go directly back into your town in the way of supplies, educational tools for your schools, and local promotion for Green Up Day.

Population	\$ Request
· 0-1,000	\$50
· 1001 - 2000	\$100
· 2001 - 3000	\$150
· 3001 - 4,000	\$200
 4,001 up 	\$300

This past Green Up Day we attempted and achieved a GUINNESS WORLD RECORDS® title. That's right little old Vermont holds a **world title** for "The most pledges received to pick up trash in 24 hours."

Markyour calendar for **Green Up Day 2025, May 3rd** - its Green Up Day's 55th Anniversary!

I am honored to serve your community and look forward to working with you again. Thank you so very much!

Thank you so very much:

Town of Woodford;

PAVE has spent the last year building community with the survivors we support in hopes of creating a strong, resilient group of people with lived experience who have broken the cycle of abuse. We have been blessed to be able to continue to provide emergency support, housing and advocacy and also long-term support with survivors after the crisis of fleeing has ended.

Our 24/7 emergency hotline is often the open door for survivors looking to flee from violent relationships need to leave. Powered by PAVE Advocates and dedicated volunteers the hotline fielded over 1000 calls. Our Emergency Shelter, the first stop for many survivors who are working to rebuild their lives, provided over 110 individuals with safe, free housing. Ongoing case management was able to aide 25 individuals with obtaining long term housing support vouchers. 4% of survivors supported identified as residents of Pownal.

PAVE's collaboration with local law enforcement generated approximately 100 referrals and led to 60 protection orders for survivors. Our work with local early childhood centers, schools and other youth organizations allowed us to reach close to 300 youth with a message of healthy relationships.

As we move forward into the new year, we are happy to announce we will be hiring a new Advocate to our team. This Advocate will focus on providing support to those who have been sexually assaulted. This support will especially focus on the outlying towns in Bennington County, where accessing medical care in Bennington maybe a challenge. Support and financial assistance will be made available through this new Advocacy position to help survivors of Sexual Assault access the services they deserve.

Project Against Violent Encounters (PAVE) is requesting level funding this year from the Town of Woodford in the amount of \$100.00. We greatly appreciate the support the town provides to PAVE.

With Gratitude,

Lindsay

BCRC Annual Report and FY 2026 Municipal Assessments

Dear Mr. Thurber:

The Bennington County Regional Commission (BCRC) provides planning and economic development support for seventeen towns and villages. Most of the BCRC's funding is derived from grants awarded by state and federal agencies, including the Vermont Agency of Commerce and Community Development, the Vermont Agency of Transportation, the Vermont Department of Environmental Conservation, the Vermont Department of Emergency Management, the US Environmental Protection Agency, and the US Department of Agriculture. A critical component of the organization's funding, however, is obtained from the annual appropriations received from its member municipalities. These funds are necessary to meet local matching requirements for many of the grant programs and to support our direct assistance to municipalities.

The BCRC maintains an office at 210 South Street in downtown Bennington. The Commission is overseen by municipally appointed commissioners from each of the member towns and villages as well as commissioners representing specific interests such as economic development, housing, transportation, and public health. The BCRC currently employs ten full-time staff, with additional assistance provided by interns when possible. Principal areas of work with assigned staff responsibilities include: municipal and regional planning, community and economic development, transportation, environmental planning, emergency management planning, energy planning, public health, solid waste planning and management and recently added public health equity planning. The BCRC provides contracted staff support to the Bennington County Solid Waste Alliance and the Bennington County Industrial Corporation (BCIC), while working cooperatively with numerous community and business organizations.

The BCRC's budget for FY 2025 is \$1,766,080 of which \$104,383 is provided through town and village member dues. The organization's operating budget has increased significantly over the past decade as additional responsibilities have been assigned to regional planning commissions and with initiatives to improve efficiencies through the

consolidation of regional programs (such as economic development, emergency management, and solid waste) under its umbrella.

We have not changed formula used to calculate municipal dues for the past seven years, although some adjustments were made in 2021 following release of new US Census population figures. For the coming year, based on Woodford's population of 355, the BCRC appropriation request is \$3,000. This is the same amount as last year.

Feel free to call me at any time with questions, concerns, or requests for planning assistance. I would be happy to attend a meeting of your board, in-person or remotely, to review the BCRC's work program and to discuss how we may more effectively serve your community You can call me at 802-442-0713 x.1 or email me at bcolvin@bcrcvt.org to arrange a meeting. The attached report includes a description of major BCRC program areas and specific projects undertaken in the past year. A copy of the report submitted to each municipal auditor for inclusion in your annual report is included as well.

Sincerely,

Bill Colvin

RE: Request to be on the March 2025 Woodford Town Ballot for FY'26

Date: November 20, 2024

The Tutorial Center respectfully requests to be on the Woodford Town ballot again for March 2025, for the FY'25 fiscal year in the amount of \$300.

The Tutorial Center's mission is to assist individuals and organizations interested in meeting their educational and vocational needs for both youth and adults. The Center is committed to a philosophy which respects student goals, builds on students' strengths, and seeks educational approaches most appropriate for each student.

The Tutorial Center instructs and acclimates groups of new refugees, focusing on workforce skills and improving English communication. We continue to focus on increasing our adult education student body, maintaining and forming new community partnerships.

The Tutorial Center works closely with the social service agencies in the area, such as the Department of Labor, Economic Services, DCF, CRJ, and UCS. Though our main mission is education, we know there are many barriers to education for our students. We work closely with our students to help minimize these obstacles. We have a transition counselor to help students overcome these barriers, as well as direct them to the specific services they may need.

Our education services include tutoring for all ages; Adult Education and Literacy (which includes an alternate pathway to a high school diploma-the High School Completion program); English language classes for non-English speakers (ESL); GED preparation and testing; job readiness training; basic technology training for individuals and businesses. We offer any Vermonter 16 or older, without a high school credential, a free path to a high school diploma in Manchester and in Bennington.

Woodford's town appropriation funds support our tutoring work, enabling us to offer scholarships to students who need assistance. In addition, we work closely with the area schools to be a resource for them.

The Tutorial Center is happy to answer the community's questions about how we may be able to help you or someone you know earn a high school diploma or receive help in reading or math. Thank you for your previous support, and we look forward to your continued support.

Re: Request for Town Appropriation - Vermont Rural Fire Protection Program

Dear Board of Selectpersons, Town Clerks and Auditors:

On behalf of the Vermont Rural Fire Protection Task Force, I am writing to request your support for the Vermont Rural Fire Protection (RFP) Program, formerly called the Dry Hydrant Grant Program. The RFP program helps Vermont communities protect lives, property, and natural resources by enhancing fire suppression resources. Program Manager and Engineering Technician Troy Dare helps local fire departments identify appropriate sites for dry hydrants and other rural water supply systems, designs installations, and finds financial resources to support the costs of construction. During the 27+ years of the program, 1,224 grants totaling over \$2.9 million have been provided to Vermont towns for the installation of new rural fire protection systems, as well as for replacements and repairs.

The Rural Fire Protection Program is managed by the Vermont Association of Conservation Districts (VACD). VACD is the membership association of Vermont's fourteen Natural Resources Conservations Districts, whose mission is to work with landowners and communities to protect natural resources and support the working landscape throughout the state.

The Rural Fire Protection Grant Program offers State grant awards up to \$10,000 per project. Additional Federal funding can provide an additional \$5,000-\$10,000 per project for more expensive special case projects. New rural fire protection systems, along with repair, replacement, relocation, upgrades of existing systems, drafting site development, and bridge mounted dry hydrants are eligible for grant funding on an ongoing basis. And we now consider applications from Vermont towns and fire departments on a revolving basis throughout the year rather than just once a year.

The annual expense of the Rural Fire Protection Program in FY 2023 was \$227,662 of which \$105,483 was paid in grants to support the construction and repair of 13 rural fire protection projects throughout Vermont. The remaining budget covered site assessments, project design and program oversight. Most of our funding comes from the Division of Fire Safety of the Vermont Department of Public Safety, through annual appropriations by the Vermont Legislature. In addition, the program receives support from the US Forest Service through the Vermont Department of Forests, Parks, and Recreation. Unfortunately, these grants do not completely cover the costs of the program. Therefore, we are respectfully requesting that you include a \$200 appropriation in your town budget to support the Rural Fire Protection Program. In FY 2023, we received \$9,150 in town appropriations from 90 towns. We are deeply grateful for your ongoing support.

235 Vermont communities have benefitted from the Rural Fire Protection program. Our goal is to extend this support to all Vermont towns and continue to assist local fire departments in reducing the risk of injury, loss of life, and damage to property and natural resources, thereby improving the safety and welfare of Vermont communities.

Enclosed please find the financial reports for the Rural Water Supply Grant Program, as well as an invoice and W-9 from VACD in case they are required. VACD's tax form 990 is also available upon

request. Please feel free to contact me, Troy Dare, or Jill Arace, Executive Director of VACD, with any questions you may have. Our contact information is provided below. If you would like to receive this appropriation request by mail instead of by email, please contact Troy Dare.

Thank you for your consideration.

Town of Woodford Town Clerk Susan Wright 1391 Vt Route 9 Woodford, VT 05201-7712

Dear Town of Woodford,

VNA & Hospice of the Southwest Region (VNAHSR) respectfully requests town funds of \$650 to assist in providing much-needed home health care and hospice services to all those in need in our community.

Since 1946, we have cared for those in our community who desire to heal at home, are experiencing a serious or end-of-life illness or suffered the loss of a loved one. Together, we ensure that on any given day, hundreds of patients, from the most medically fragile infants, to individuals over 100, and their family members, are cared for by our team of skilled and committed caregivers.

We are a **cornerstone** in the community, an **integral partner** with healthcare providers and a **leader** in home health and hospice care in Vermont. Residents in our areas of designation also receive necessary services such as weekly bereavement support groups for adults and children, flu clinics and community education on end-of-life topics - all at <u>no cost</u> to participants.

In 2023 alone, VNAHSR provided over <u>\$1.7 million in charitable care</u> to our patients who were either undersinsured or without the insurance required for the vital home care they deserved. We are dedicated to our mission of providing care, regardless of the location of residence, complexity of health issues or financial circumstances of the patient.

Town funds and charitable contributions help close the gap between reimbursement for services provided and the true costs of those services. With adequate town funding, an affordable option for home healthcare is available to all in need. To continue meeting these needs, we urge you to consider the importance and cost-effectiveness of the work that VNAHSR does to ensure the health and wellbeing of our community.

We are filled with gratitude for Woodford's many years of support to help VNAHSR fulfill our mission to serve our community. Please do not hesitate to contact 802-775-0568 if you have any questions.

Sincerely,

To the Citizens of the Town of Woodford,

On behalf of BROC Community Action and the thousands of people with low-income or living in poverty that we serve throughout Rutland and Bennington Counties, we want to express our thanks and gratitude for supporting us over the years on Town Meeting Day. BROC Community Action assists families and individuals in crisis and help provide a sustainable path forward.

Over the past year, BROC Community Action assisted 23 residents of the Town of Woodford. Whether they need food at the BROC Community Food Shelf, senior commodities, housing counseling, homelessness assistance, weatherization, heating and utility assistance, forms assistance for benefits such as 3SqVT, budget and credit counseling and resources and referrals; we are here.

People come to us cold, hungry, homeless, jobless or facing major health conditions every day. Your town appropriation helps ease the struggle for nearly 10,000 people who seek assistance from us each year as we meet the basic needs of their families and provide a path forward whenever possible.

Respectfully, our appropriation request for the upcoming fiscal year remains \$300.00.

We truly value our collaboration with Woodford as we assist those most in need.

Sincerely,

Thomas L. Donahue, CEO

Ms. Susan Wright, Town Clerk Woodford Town Office 1391 Vermont Rte. 9 Woodford, VT 05201

Dear Susan,

The Bennington Free Library is requesting an appropriation in the amount of \$3,964 for the 2025-2026 fiscal year. After several years of level funded requests, the cost of living and attendant increase in the minimum wage is largely responsible for this increase. Woodford's long history of support for the library confirms its commitment to sustain a community of engaged and well-informed citizens, and I hope Woodford residents will consider our request favorably.

The library currently supports Woodford residents throughout their lifetime of learning. Services include story hours, support for students of all ages as they pursue their formal educational goals and by providing resources for "lifelong learners" who remain intellectually curious throughout their lives. Most recently we have created "Memory" and foreign language collections which will serve the oldest and newest members of our community. A delivery service for homebound seniors, possible through a cooperative effort with RSVP, continues to be very popular.

The library has added many online opportunities providing critical resources to Woodford residents including library takeout, online and phone reference assistance, summer reading activities, programs and themed activity bags. Free video and music streaming services and virtual programming were adopted and continue to be a routine part of our operations as well as such unconventional offerings as a telescope, snowshoes, and free passes to attractions such as Prospect Mountain, museums and state parks. All are very popular among area families. Our offerings are now so diverse I have included a list of our services and activities.

Without adequate funding, many in our community would be forced to do without the books, videos, educational resources and computing facilities our library provides; more so during these challenging times. Demand for library services remains steady and Woodford's support is an important factor in our ability to meet the needs of a diverse community.

The Bennington Free Library manages funds received from the Town of Woodford carefully and I hope the town will continue to support the library. If I may provide further information, please do not hesitate to reach out. Thank you for your favorable consideration of this request.

Sincerely,

Wendy Sharkey

THE VERMONT CENTER FOR INDEPENDENT LIVING #03-0271000 TOWN OF WOODFORD SUMMARY REPORT

Request Amount: \$250.00

For over 45 years, The Vermont Center for Independent Living (VCIL) has been teaching people with disabilities and the Deaf how to gain more control over their lives and how to access tools and services to live more independently. VCIL employees (85% of whom have a disability) conduct public education, outreach, individual advocacy and systems change advocacy to help promote the full inclusion of people with disabilities into community life.

In FY'24 (10/2023-9/2024) VCIL responded to thousands of requests from individuals, agencies and community groups for information, referral and assistance and program services for individuals living with a disability. VCIL Peer Advocate Counselors (PACs) provided one-on-one peer counseling to 293 individuals to help increase their independent living skills. VCIL's Home Access Program (HAP) assisted 233 households with information on technical assistance and/or alternative funding for modifications; 115 of these received financial assistance to make their bathrooms and/or entrances accessible. Our Sue Williams Freedom Fund (SWFF) provided 149 individuals with information on assistive technology; 43 of these individuals received funding to obtain adaptive equipment. 320 individuals had meals delivered through our Meals on Wheels (MOW) program for individuals with disabilities under the age of 60. Our Vermont Telecommunications Equipment Distribution Program (VTEDP) served 38 people and provided 31 peers with adaptive telecommunications enabling low-income Deaf, Deaf-blind, Hard of Hearing and individuals with disabilities to communicate by telephone.

VCIL's central office is located in downtown Montpelier (although we are working from home as our office (along with so many others) was devastated in the July flood and we have four branch offices in Bennington, Chittenden, Rutland and Windham Counties. Our PACs and services are available to people with disabilities throughout Vermont.

During our FY'24, 1 resident of Woodford received services from the following programs:

- Peer Advocate Counseling (PAC)
- •Information, Referral and Assistance Program (I,R&A)

Dear Town Officials,

This is a request from the Southwestern Vermont Council on Aging for \$250.00 in funding in your FY26 budget. This is the same level of funding we requested and received last year. If approved, this funding will be used to help support the work we do on behalf of Woodford residents.

The enclosed document provides a brief description of the services the Council on Aging provided to older Vermonters in your community over the last year and is designed for use in your town report. Please contact me if you have any questions about any of this information.

We sincerely appreciate the past support that we have received from the town of Woodford, and we hope that we can, once again, count on support from your community.

Thank you for your consideration of this request.

Report to the Citizens of Woodford

This report describes the services that the Southwestern Vermont Council on Aging (SVCOA) provided to older residents in Woodford during SVCOA's most recent annual reporting period of 10/1/2023 through 9/30/2024.

Nutrition Support

SVCOA helped provide 218 nutritious meals to 4 older Woodford residents who came together at a community luncheon site in your area while enjoying the company of others.

The Council also remained available to provide both home delivered meals, often referred to as "Meals on Wheels," and one-on-one nutrition support, including nutrition assessments and resource connections and referrals, to older residents of Woodford.

Case Management Assistance:

SVCOA case management and outreach staff helped 4 older residents in your community for a total of 66.25 hours. Case managers meet with an older resident privately in their home or at another agreed upon location and assess their individual situation. They will work with the older resident to identify needs and talk about possible services available to address those needs. If the resident desires, the case manager will link them to appropriate services, coordinate and monitor services as necessary, and provide information and assistance to caregivers. Case managers also help older residents connect with in-home assistance programs, including a program called Choices for Care. This program is especially helpful to frail older Vermonters facing long term care placement who still wish to remain at home.

Other Services and Support:

- "Senior Helpline" assistance at 1-800-642-5119. Our Senior Helpline staff provide telephone support to older Vermonters and others who need information on available programs and community resources.
- Medicare and health benefit counseling information and assistance through our State Health Insurance Program.
- Legal service assistance through the Vermont Senior Citizens Law Project.
- Information about issues and opportunities directly affecting older Vermonters via various agency articles and publications.
- Nutrition education and counseling services provided by SVCOA's Registered Dietician.
- Senior Companion support for frail, homebound older Vermonters.
- Outreach services to older Vermonters dealing with mental health issues through our Elder Care Clinician. This service is provided in cooperation with Rutland Mental Health.
- Transportation assistance.
- Caregiver support, information and respite to family members and others who are providing much needed help to older Vermonters in need of assistance.
- Money Management programs that offer either a volunteer bill payer or representative payee services to older Vermonters and younger disabled individuals.

Dear Susan,

As we look ahead to the new year, we take a moment to reflect on our profound gratitude to the municipal partners who help us deliver our lifesaving mission in our community. With your support, we are able to ensure the health, safety, and preparedness of our friends and neighbors throughout Northern New England.

Last year, our staff and volunteer workforce provided an array of services throughout the Northern New England region:

- We made **626 homes safer** by installing **1,907** smoke detectors and educating **730** families about fire safety and prevention through our Home Fire Campaign.
- Trained **39,492 people** in first aid, CPR, and water safety skills. (training data for county level)
- We collected over **131,800 units of blood.** Hospitals throughout Northern New England depend on the American Red Cross for these collections.
- In our region, over **3,400** service members, veterans, and their families received supportive services through our Service to the Armed Forces department.

Your American Red Cross remains committed to providing relief and support. We do this with the help of our incredible volunteers and donors, including you, our friends in Woodford. *This year, we respectfully request a municipal appropriation of \$250.00*. These funds will directly benefit individuals and families right here in our region, who benefit from our unique services at no cost.

For more information about the work we've been doing in your area, please refer to the attached Service Delivery sheet for Bennington County. If you have any questions, please call us at 1-800-464-6692 or supportnne@redcross.org.

Warmly,

Lauren Jordan

Disaster Response

In the past year, the American Red Cross has responded to 7 disaster cases in Bennington County, assisting 15 individuals. The Red Cross provides safe shelter, food, relief supplies, financial assistance, and comfort to those in need after a disaster – whether it's a home fire affecting a single family, or a storm or flood devastating an entire community. All Red Cross services are provided free of charge through the generosity of the American public and are available to everyone in need without discrimination.

Bennington County is home to 12 American Red Cross Volunteers. We have volunteers from all walks of life who are trained and empowered to respond to disaster in the middle of the night, to teach safety courses, to help at our many blood drives, and so much more. The American Red Cross is proud that 90% of its staff is made up of volunteers; they are truly the heart and soul of our organization.

We collected, 962 pints of lifesaving blood at 34 drives in Bennington County.

Last year, **565 Bennington County residents** were taught a variety of important lifesaving skills such as First Aid, CPR, Babysitting Skills and Water Safety.

We proudly assisted 18 of Bennington County's Service Members, veterans, and their families by providing emergency communications and other services, including counseling and financial assistance.

Local Health Office Annual Report: 2024

Bennington Local Health Office | 324 Main St, Suite 2, Bennington VT 802-447-3531 | AHS.VDHBennington@Vermont.gov

Twelve Local Health Offices around the state are your community connection with the Vermont Department of Health. The Bennington Local Health Office provides essential services and resources to towns in Bennington County.

Some highlights of our work in 2024 are below. For more information, visit HealthVermont.gov/local/bennington

*

Improve Family and Child Health

- In 2024, our WIC team conducted 1,410 visits with families, including in-person and tele-WIC appointments. This provided 1,030 participants in Bennington County with nutritious food and valuable nutrition education and support.
- Through our Farm to Family Program, our staff helped our WIC clients access \$6,000 in fresh, local produce.

Protect Community Health

- Our team investigates reports of infectious diseases and outbreaks and works closely with long-term and residential care facilities to keep residents safe and healthy.
- We vaccinated uninsured or underinsured individuals with COVID, flu, Mpox and other important immunizations. We provided 70 vaccines to individuals through our office clinic times and off-site Equity clinics.

← Create Resilient Communities

- Our office provided Stop the Bleed training to 14 schools in Bennington County in 2024. This training is ongoing and more schools in both the Bennington Rutland Supervisory Union and the Southwest Vermont Supervisory Union are scheduled for 2025.
- Our Bennington County Medical Reserve Corps (MRC) played an important part in this effort. We are always in need of volunteers to help with emergencies and events. Contact us for more information.

January 2025

To our Member Towns and their Residents:

The Southern Vermont Communications Union District (SoVT CUD) has had another busy and successful year.

Consolidated Communications, Inc. (CCI) completed construction of the fiber network in Bennington County in September 2023, which was funded by a grant from Vermont Community Broadband Board (VCBB). Since the completion of the network, the CUD and CCI have continued to meet on a regular basis to discuss operational concerns and quarterly network performance reports. The CUD has also significantly advanced its sustainability planning through the execution of a Memorandum of Understanding with Otter Creek and Lamoille CUDs and the development of a joint sustainability plan.

In July of 2024, SoVT, Otter Creek, and Lamoille CUDs executed a Memorandum of Understanding and jointly developed a ten-year sustainability plan which was presented to the VCBB. The sustainability plan outlines a transition to a tri-CUD model of joint compliance administration and oversight of CCI. The plan was approved by the VCBB and agreed to by CCI, which also agreed to fund the administration and compliance costs of the CUDs from 2027-2034!

SoVT CUD recently secured \$220,000 in Preconstruction Grant funding from the VCBB to cover operational expenses in 2025 and 2026, including funding for a federal single audit to take place in 2025. Throughout 2025 and 2026, SoVT CUD will work with Otter Creek and Lamoille CUDs to transition to joint compliance administration and advance governance and succession planning.

SoVT CUD has also continued to explore solutions for the remaining hardest to reach addresses that constitute Phase 3. These addresses are primarily located in Arlington and Pownal and are unserved according to state data. In discussions with VCBB staff, it was decided that SoVT CUD's remaining addresses would be incorporated into the state administered Broadband Equity, Access, and Deployment Program (BEAD).

SoVT CUD meets on the fourth Wednesday of each month at 6:00 PM. Please join us and learn more at <u>sovtcud.net</u>.

Sincerely,
